It's not just a reusable a water bottle. It's a hydration vessel. Discover more at korwater.com. New Chrome Rose Gold now available.

FEATURES

Cushioned Base protects furniture and prevents slipping on flat surfaces.

Ergo Comfort design is sleek, comfortable to hold and makes carrying a breeze.

Hygienic Spout™ means your cap is completely protected from the outside when not used.

KOR Stones, located inside the cap, provide a bit of inspiration with each sip.

No-Worry Cap swivels open with a press of a button, then stays out of your way.

PerfectSpout™ is a threadless design large enough for ice and small enough to chug.
