

KOR ONE

MORE THAN A BOTTLE, IT'S A HYDRATION VESSEL.

Here's a game-changing product that has captured the imagination of everyone from Oprah to Iron Man. Made with BPA-free Eastman Tritan™, KOR ONE's elliptical shape is sophisticated and iconic. It's not just a reusable water bottle. It's a hydration vessel. Discover more at korwater.com/one

FEATURES

Cushioned Base
protects furniture and prevents slipping on flat surfaces.

Ergo Comfort design is sleek, comfortable to hold and makes carrying a breeze.

Hygienic Spout means your cap is completely protected from the outside when not used.

KOR Stones, located inside the cap, provide a bit of inspiration with each sip.

No-Worry Cap swivels open with a press of a button, then stays out of your way.

PerfectSpout™ is a threadless design large enough for ice and small enough to chug.
